

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

We were very impressed with the BCD banquet speaker Friday night. Not for his story and joke telling, at which he is tops, but for his philosophy of life.

The main thought that ran through his presentation was that there is a whole lot more to life than just making a living for your family. As he pointed out he could make enough money in a 40 hour week to raise and educate his family but there were other things that he needed to do if his life here on earth was to have any meaning or purpose.

A satirist can be a pessimist but a humorist must be an optimist if he is to see the brighter side of life and it must have been obvious to all that heard Lee Herring that he was an optimist.

We think his advice not to worry about the few radicals and odd balls that make the headlines but be thankful for all of the good things that are going on around us is good, sound advice.

If all of us here in Hamlin would take his words of wisdom seriously and improve on the things we have in order to make this a better city we feel that we would be amazed at the change we would see take place. Too many people want to just sit back and complain.

We have never heard anyone that is hard at work trying to improve a community cry about how the town is going to pot and that there soon won't be anybody left. These people that devote their time to others do not have any time left to complain. It is the do nothings that seem to have time to pick out all of the bad things. But the strangest thing is that in all of their spare time they can not recognize the good things.

We do not believe that Hamlin is on the verge of a boom and that everyone here is going to get rich overnight but we do feel that we have the type of community that is worth working for, the type Mr. Herring talked about that you take pride in and take pride in the type of friends you have here.

Not whether we double in size in the next year but rather that we have the type of community that we can all be proud of — this is what is important.

As Mr. Herring said he did not have a magic pill to solve all of our problems. Just having a population of 8,000 instead of 4,000 would not solve any problems either, in fact, it would probably just double them.

Please do not get us wrong, we are not against growth but only believe that growth in itself never solves any problems — usually just makes new ones. Added population to a town is somewhat like getting a raise — after a few months you find you do not know what happened to the extra money it just seems to get lost with the rest of it.

Just like everyone else though, we would like to see Hamlin grow, but to us it is more important that the things we have such as our churches, our

— Continued on Page 2

AFTER THE BANQUET — Marvin Carlton, new BCD president, left, listens to W. T. Johnson, right, outgoing president, in an informal discussion after the Friday night BCD banquet. Mrs. Carlton is second from the right. In the

background Rev. Max L. Brown, pastor of First Baptist Church who served as master of ceremonies, talks with Mr. and Mrs. Nelson Shave. Shave is resident engineer of the Texas Highway Department here.

Neinda Water System Loan, Grant Approved

A grant of \$295,000 and a loan of \$376,000 has been made to the Neinda Water Supply Company by the Farmers Home Administration, according to Senator John G. Tower.

In a letter to W. T. Johnson on Feb. 14, Mr. Tower said that the Texas director had been authorized to make

the grant and loan for the project.

He added, however, that the FHA funds in Texas for the present fiscal year are nearly depleted and it may be necessary to wait for fiscal year 1968 funds which begins July, 1967, before the project can be funded.

A resolution requesting the funds was passed here by the corporation last June.

Corporation officers are Bill Scott, president; Rod Brown, secretary; O. H. Weaver, Ray Williams, John Scarborough and Stanley Jackson, directors.

The proposed water system will serve 314 customers and consists of 121 miles of pipelines, two automatic pump stations and six storage reservoirs. An area of about 250 square miles in Jones and Fisher Counties will be reached.

Blue and Gold Cub Banquet Tuesday Welcomed

The Hamlin Junior High School gymnasium was filled Tuesday evening when the some 70 Cub Scouts and their families gathered for the annual Blue and Gold Banquet. Buddy Bryson, Cubmaster, was master of ceremonies.

The invocation was given by Rev. Billy Bush, pastor of North Central Avenue Baptist Church.

Awards were presented by Bennie Young of Abilene, Scout Executive of the Chisholm Trail Council.

Serving to Start At 5 Friday for Pancake Supper

Serving will begin at 5 p.m. Friday in the high school cafeteria at the annual Hamlin Lions Club Pancake Supper. Bill Davis is general chairman.

A cake and pie sale will be held during the supper, according to Loyd Burkhardt, club president.

Tickets will be on sale at the door or advance tickets may be purchased from any Lion Club member. Prices for all you can eat are 75 cents for adults and 50 cents for children.

Bill Harbert Purchases Barrow Furniture Here

Bill Harbert, who was associated with the late Bob Barrow, owner of the R. Y. Barrow Furniture store, since 1954 has purchased the store from the Barrow Estate. The name will be changed to Harbert Furniture.

The transaction was made last Thursday at noon with the Barrow children, Mrs. Homer C. Wheeler, McAlester, Okla., and R. Y. Barrow Jr. of Kalamazoo, Mich.

The late Mr. Barrow had owned the store since 1948 and had been in the furniture business since 1920. The business has been in its present location since 1932.

Harbert plans to continue the operation of the store in much the same manner as in

the past. The employees and policy will remain the same, he said.

Harbert, a graduate of Hamlin High School and Hardin-Simmons University, worked for Carl Murrell after graduation until Apr. 1, 1954, when he joined the furniture company.

He is married to the former Jo Ann McCrary, operator of Jo Ann's Beauty Bar. They have one daughter, Johnnie, a freshman at North Texas State University, Denton. They are members of the First Baptist Church.

A member of the Lions Club and Lakeview Golf Club, Harbert is also president of the Hamlin School Board of Education.

BANQUET AUDIENCE HEARS —

Over \$1 Million In Construction Set

Over one and one-quarter million dollars in construction in the coming year was the prediction for Hamlin and the surrounding area by W. T. Johnson in his report to the approximately 375 people gathered for the annual Hamlin Board of Community Development banquet here Friday night.

Johnson, retiring president of the BCD, listed the construction of the new \$600,000 high school building, the Jaycee \$10,000 community building and read a letter from Senator John Tower granting approval of a \$376,000 loan and a grant of \$295,000 for the construction of the Neinda Water Supply Corp.

In presenting the new officers, Johnson said, "We can not look backwards and this is the group that will be looking forward." Presented as president was Marvin D. Carlton, local junior high school principal, who awarded Johnson with a plaque in appreciation for his work during the past year.

Lee D. Herring, Grand Prairie banker, kept his listeners laughing as he kept up a steady stream of jokes and anecdotes well sprinkled with sage advice for a more rewarding life.

"I am not going to deceive you, Herring told the group, 'I have no magic pill to solve all your problems.' But he went on to say 'improve on the things you have in order to make this a better city.'"

It is his philosophy that things are not as bad as they seem and that people should not worry so much about the material things of life and think more about the spiritual.

He said, "Instead of worrying about what a few radicals might be doing on college campuses and elsewhere, it is better for us to count our blessings."

Leading from one piece of advice to the next with jokes and stories that held his audience spellbound, Herring stressed the importance of everybody in the community going to work if it is to grow. He urged people to take pride in their community and in their friends that these are the things that matter.

He said that he believes each of us is given 24 hours of the sands of time and that we can not carry any over and lose any that we do not use. He said that it was his hope that he could use all of his being a father to his children, for his church and his community. He added, "It is what we do after we earn our livelihood that makes a rewarding life."

In taking over the reins of

the BCD, Carlton said, "our community is only as good as the people that make up the community. The BCD works for the benefit of all of the people in the community and by doing our part we can improve the image of Hamlin and Hamlin will be better for our having been here."

In pointing out the accomplishments of Hamlin during the past year, — Continued on page 6

Three Places On City Council Up For Election Apr. 4

Three vacancies will be filled on the City Council in the election called for April 4. The terms of George Campbell, Irby Weaver and Cecil Sellers are expiring. Campbell and Weaver have announced that they will seek reelection.

Last date for filing is March 3.

STREET BLOCKADE — The Hamlin Boy Scouts added approximately \$125 to the March of Dimes fund during their street blockade Saturday morning on South Central at Third Streets. Tony Lewis, right, and his brother, Timmy, sons of Mr. and Mrs. Edgar Lewis, stopped motorists at the red light. Other Scouts helping were Darrell Craig, senior patrol leader, and Price Bryant. The MOD total for Hamlin now stands at \$892.40. This completes the drive according to Leldon Clifton, chairman. Other revenue was derived from the Mother's March, school collections and the downtown canvass of businesses made by Mrs. Edna Oltfield and Mrs. Joe Fleckenstein.

PART OF BEAUTIFICATION PROGRAM — Gary Ledbetter, Larry Collins and Dale Pritchard prune shrubs in front of the high school as part of a beautification program planned by the FFA chapter.

FFA WEEK THEME—

'Agriculture . . . Strength of America'

Vocational agriculture students in Hamlin High School will join Future Farmers of America members throughout the nation in activities to focus attention on the importance of agriculture during National FFA Week, Feb. 19-25.

"Agriculture . . . Strength of America" is this year's FFA Week theme. The boys will undertake a campaign to inform the general public about the importance of the agricultural industry to America, the growing need for farming, and of the numerous and wide variety of opportunities that exist in the broad field of agriculture for young men who have a background of farm experience and training.

"We have had such an abundance of food in America that people are taking agriculture for granted," said Milburn Wink, vocational agriculture teacher and FFA advisor. "Actually, farming is

now and always has been our largest and most vital industry, and it is becoming increasingly important with our expanding population. In our area, particularly, most of the businesses, and most of the jobs, are basically dependent upon surrounding farms for their existence. Take away the farms, and for all practical purposes you would destroy the entire community."

"We also want to point out," he added, "the very important part that agricultural knowledge and farm products have in the nation's world commitments."

The Hamlin FFA chapter has 87 members. Officers are: Robert Moore, president; Randy Smith, vice president; Donnie Jones, secretary; Hollis Stephens, treasurer; Gil Lain, reporter; and Jim Bonds, sentinel.

The national Future Farmers organization has approximately 450,000 members, with 9,000 local chapters in the 50

States and Puerto Rico. Membership in Texas totals approximately 50,000.

Membership in the FFA is made up of students of vocational agriculture in high school. The organization's activities are designed to help develop rural leadership and good citizenship, and to stimulate the students to better achievement in their study and work toward successful establishment in farming or other agricultural occupations.

Gil Lain Shows Top Chester White

Gil Lain exhibited the Grand Champion Chester White Barrow at the San Antonio Livestock Exposition last week. He returned home Thursday. He plans to exhibit some barrows at the Houston Fat Stock Show later this month.

Activities are designed to help develop rural leadership and good citizenship, and to stimulate the students to better achievement in their study and work toward successful establishment in farming or other agricultural occupations. T. C. Blankinship and Wink

are local teachers for the three years of vocational agriculture offered in Hamlin High School. They also supervise the work the boys do in the FFA. The boys may participate in FFA all four years in high school. A glimpse into the program is being presented this week as the wide range of activities are discussed.

Study Plant Improvement

First year students are given instruction on various phases of plant improvement. Units studied include how plants reproduce and grow, pruning, and budding and grafting. Students are taught the proper methods and reason for pruning plants. They are also taught how to bud and graft trees.

Second year students learn more about plants by studying how seedbeds are prepared, rates and time of planting, how plants are harvested, and how harvested crops are stored.

The study of plant improvement is continued in third year vocational agriculture as various crop management practices are studied and students study soils.

Management

Sound management practices and the study of animal diseases is one of many units studied in vocational agriculture. The future of our nation and the world will lie in the hands of those who will produce the food and fiber to feed and cloth the world. It will be through improved methods of production which will include proper management practices that will aid the agriculturists of tomorrow to keep our standard of living as we know it today.

Many of the vocational agriculture students carry out improved practices they learn in class on their supervised farming programs. Control of animal parasites, disease prevention programs, feeding bal-

PIPER PATTY—

Carnival A Great Success; Funny Face Booth Steals Show

By BETH CRAIG
HELEN MOORE
TOMMY OLIVER

The Student Council's school carnival held last Saturday was a great success. All of the classes made money with the exception of the Senior's pie throw. It seems that the Seniors bought about seven dollars worth of pre-served whipped cream. They had taken in slightly more than three dollars when they ran out of whipped cream. On well, Raymond didn't mind too much having to retire as the human target.

The pictures of the teachers in the Student Council's Funny Face gallery stole the show. Pictures of students and teachers had been out and the face of one was placed with the other and vice versa. Mrs. Simmons and Mr. Jones made an adorable personality. Miss

Michell and Mr. Criswell also looked quite charming. Although the Library Club didn't have much help on the Spook Walk, Tommy Oliver had volunteered the club for the job and the few who worked finished the job. It must have been pretty good because they stayed busy Saturday night.

We wonder if C. A. Lel-don and Chris will be interested in being in the sock throw booth next year. The freshman class must have needed money badly for the boys to sit there and get hit.

The Student Council entertainment in the auditorium during the carnival was opened with selections by the Tequila Brass. Randy Morgan entertained with his stories of his kindergarten days. Mr. Williams played his harmonica and astounded the

audience when he played one harmonica with no hands. The final act was a race between two class representatives to see who could get dressed fastest — but the catch was to dress like a girl. Gil would never make it if he were a girl; but that Chris he dressed in high heels, hat, gloves and everything in nothing flat!

—hhs—

Gil Laine returned from San Antonio Saturday where he had been showing Chesters and Durco. He got second place in the light weight Chester division. He received a second place with a light weight Durco out of 108 entries. He got first place in the medium weight burro division and then went on to receive Grand Champion.

—hhs—

The stage band travels to Brownwood Stage Band Festival. They will be competing with 15 other AA schools for the top three honors.

HEIDENHEIMER'S

Let us try to help

The handicapped and bedridden need to communicate too. These are special people requiring special aid.

Businessman, housewife, child, anyone may have need of special communications.

If you, or someone you know could benefit from special telephone service, let us try to help. Whether the need is for an existing service we have, or for a tailor-made system, we'd like to be of service. That's what we're in business for.

A few of the many items we offer are shown here. For further information, just call your telephone business office.

Magical Automatic Dialer

Push-button dialing for those who are unable to use the standard telephone dial. A simple push of a button recalls the wanted phone number from the instrument's memory unit. Another push of a button dials the number.

Volume-Control Handsets

For those who have difficulty hearing on the telephone, a handset is available with a wheel which adjusts the volume of the voice being received. For telephone users whose speech is impaired, another handset is equipped with a wheel that amplifies speech.

School-To-Home Service

Shut-in students can attend classes via telephone. This two-way communications system lets the student speak and listen to anyone in the classroom.

Southwestern Bell

sed as a newcomer, says he had a "presentment" just like Pansy Yokum that rains would come Friday or Saturday or both days. Jack Wright, rancher north of town, declares that he has had a sure sign of rain, the coyotes are yelping after sunup and before sundown, which always means rain to him.

And sure enough rain measured .52 Friday.

Twenty-Five Years Ago—
Elmer Brewer, who has served Hamlin seven years as nightwatchman, has returned to his "first love," blacksmithing. Ray Huling who has assisted him will fill his shoes.

D. M. Long Named Service Manager By Prewitt Motors

D. M. Long from Midland is the new service manager and mechanic at Prewitt Motors. Long, formerly with Hines Motor Co. in Midland for 11 years, assumed his new duties here Feb. 1. Long has 30 years experience.

Associated with him will be his son, Roy, a mechanic. He has had five years experience.

Long and his wife, Marie, have three other children, Buddy, 14, Suzanne, 7, and Elsie who is employed at Anson Hospital. They are Baptists.

Sylvester News...

By MRS. R. M. BABB
My, but it is cool this morning and still no rain, still hoping!

Visiting in the W. B. Brown home over Sunday were Mr. and Mrs. Max Deel and children of Levelland and the Jerry Prather family of Sweetwater.

Mr. and Mrs. Jack Robinson spent some time with his father, Carlos Robinson, on Sunday afternoon.

Jeffy Nelson of Commerce spent several days with his brother Jimmy. Jeffy lived here for many years.

Our sympathy goes out to

families of our community in the loss of loved ones: Mrs. Robert Scott Jr. in the loss of her brother, W. J. Nemier of El Paso and Mrs. Homer Purley in the loss of her father, John Adams of Sweetwater.

Mr. and Mrs. A. J. Ford have moved into their new house and from what I hear it is very pretty.

Noticed awhile ago when I drove through town that Mary Porter was visiting with her parents, the Milt Montgomerys.

We really missed a group that was absent from Church Sunday, know that some of them weren't feeling so good but just wonder about the others?

See John Tankersly of Ft. Worth is visiting with Ernest Kiser.

That's all, because I just don't know any more news!

Services for Mrs. O. B. Cox, wife of a prominent Anson business man and member of a pioneer Jones County family, were held at 2 p.m. Tuesday in Anson. She died at 11:30 Sunday in an Amarillo hospital. She was a cousin of Alton Mayfield and sister-in-law of Mrs. John R. (Sonny) Brown.

Mrs. Benson Payne returned home Friday from Hendricks Memorial Hospital. She entered the hospital last Monday and had surgery on Tuesday.

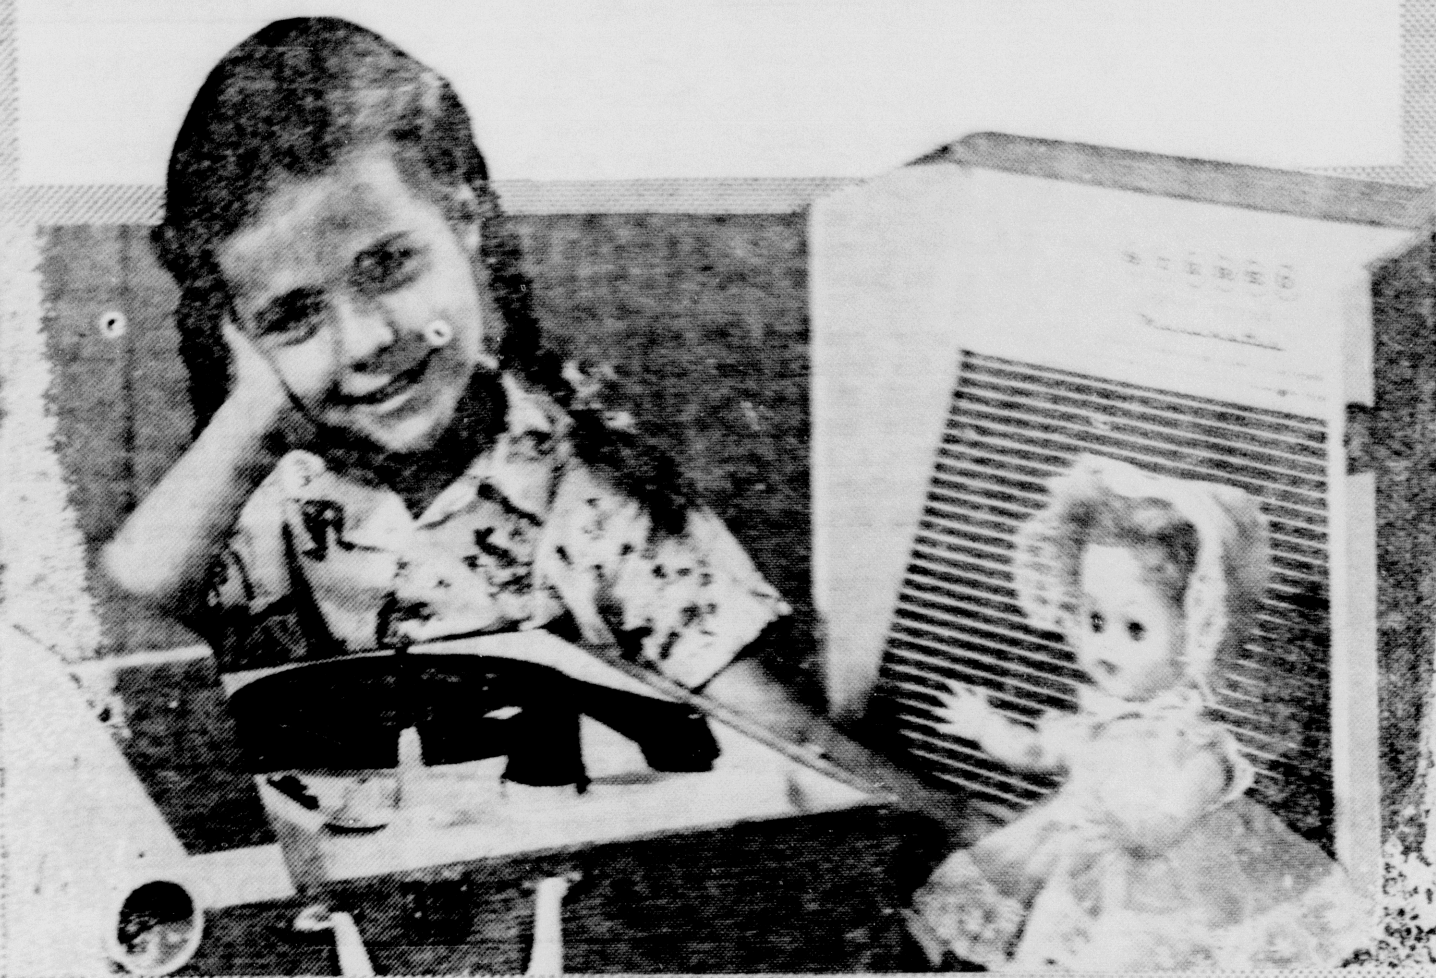

Music Appreciation

I am not a musician, but as I write this I think back and realize how my taste in music has changed. Early in life, it took only the simplest childhood jingles to please me, then in school I was trained and taught to appreciate more intricate music. All through life I feel that my knowledge of... and appreciation for music has grown and matured.

Through study and help from others, I have also grown as a Christian and have a better appreciation of my Lord.

My knowledge of, and love for God increase with each church worship service...

This way of life and worship, I would recommend to anyone. Won't you try it... Start by attending church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truths which alone will set him free to live as a child of God.

County Fathers Vote Against Being Placed In Taylor District

Jones County does not want to be attached to Taylor County in a state legislative district. This was the substance of a resolution passed by the Jones County Commissioners Court last Monday.

Copies of the resolution will be forwarded to State Representative Frank Calhoun and to Sen. David Ratliff in Austin, as well as to others in the Legislature.

The Texas high court has held that florid districts do not meet the guidelines set up by the U. S. Supreme Court for legislative district, and unless some action is taken in the Legislature, representatives in such florid districts will have to run for places.

At the present time Cal-

Sherwood Singers To Give Concert Here March 2

The Sherwood Singers of Odessa will be presenting a program here in the First Baptist Church Mar. 2. The choir of 100 young people will be on their way to the State Choir Festival in Waco.

The concert will be presented at 7:30 p.m. under the direction of Lyndal Bingham. S. L. Tate, former music-education director of the local church assists the director and is a soloist with the group.

The singers will be guests of the church at a supper in Fellowship Hall Thursday evening and will spend the night in homes here. They will present a concert at Hardin-Simmons University Friday morning in Abilene.

houn represents Taylor, Jones and Haskell counties. Taylor County has another representative, Grant Jones. Representative Calhoun has been appointed to the House committee to plan redistricting legislation.

In other action Feb. 13, the Jones commissioners:

Advised for bids for a county depository;
Appointed election judges;
Consolidated Sinclair voting precinct with Southwest Anson;

Reached an agreement with Lone Star Gas Co. on payment for relocating a line under Farm Road 1226, which runs from Funston to Hawley;

Approved work done by Midcontinental Waterproofing Co. on the courthouse;

Appointed Earl McCaleb as county surveyor for another two years; and

Advised for bids on two cars for the sheriff's department.

FATHER VISITS HERE ON 74TH BIRTHDAY

Mr. and Mrs. S. H. Locke of San Angelo visited in the home of his daughter and her husband, Mr. and Mrs. W. W. Wallace last weekend. Mr. Locke has recently retired from Santa Fe after 57 years of service. The occasion was to honor him on his 74th birthday.

Other visitors included another daughter and her family, Mr. and Mrs. C. M. McKinley, Jamie and Susan of Stamford; a son and his family, Mr. and Mrs. Jesse W. Locke, David, Gary and Lisa of Dallas.

Remodel to Electric Heat

It's easy to add electric home heating when you remodel a home. Everything from decorator wall panel units to an electric heat pump is available for your selection. Baby-safe baseboard units with individual room controls are a big favorite with families who have growing children.

WTU's low 1¢ winter heating rate, Guaranteed Operating Cost, and Equal Payment Plan keep operating costs way down. In fact—you pay no more for clean flameless electric home heating.

See your electric home heating contractor or WTU for complete information.

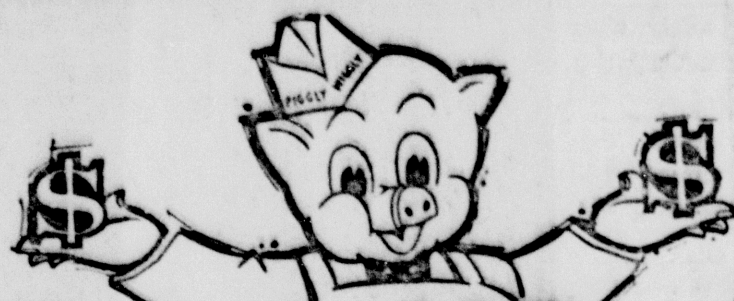

*Plus tax and fuel adjustment.

BCD BANQUET—

—Continued from page 1

ing the past year and the things that the BCD had helped with, Johnson listed the Neinda water system, the school bond election, the Jaycee building and the recent increase in the cotton yields for the county.

Johnson told the group gathered that the BCD is not attempting to take credit for all of these things but rather to call attention to the people that made these things possible.

"We are proud of any small part that we might have played in bringing these things about," he added.

Rev. Max L. Brown, pastor of the First Baptist Church, served as master of ceremonies for the evening and introduced visitors from Abilene, Stamford, Sylvestor, Haskell, Marshalltown, Iowa, Anson, and McCaulley.

The Hamlin High School Stage Band opened up the evening's entertainment with several selections that they will be playing this weekend at the Brownwood Stage Band Festival. The band was directed by Tim Jones.

Rev. Billy Bush, pastor of the Central Avenue Baptist Church, gave the invocation and Rev. Cecil Hardaway, pastor of the First Methodist Church, gave the benediction.

For Sale: 2 Bedroom house, central heat, corner lot. Recently redecorated. Low Equity. Take up payments. Low interest loan. Call SP 4-1885 after 6 p.m. or see Richard Thompson at Howard Drug.

ROBY TEXAS SNYDER

Thieves Hit Seven Places Here Sunday

Break-ins were reported by seven businesses when they opened for business Sunday. Most of the businesses reported the money in the cigar machines as the prime target. Burt Oliver of the Fina Station on South Central reported the doors of the station had been forced open and the locks were ruined. Money was taken from the cigar machine, owned by Geo. Bury.

At Walton Humble Station entry was gained through the door after the pad lock was broken. Mr. Walton said that he had not missed anything. No money was in the station. At Mayfield Gulf Station the front door had been pried open. Money from another Bury cigar machine was taken.

Other places hit were Helen Stewart's Station, Roy Server's Conoco Station, the Pastime Club and Jordan's Drive-In.

Roy Jordan at the Drive-In said that the front door had been kicked open. He said the thief (or thieves) evidently was hungry when the drive-in was hit because two pounds of ham and a loaf of bread were missing. Money amounting to \$27.60 in the juke box and cigar machine was taken.

Mr. and Mrs. Roy Carrion of Roby are parents of a son, Ben, born Feb. 14 at 5:45 a.m. He weighed 8 lbs. 4 oz.

Mr. and Mrs. Roger Dale Jones are parents of a boy, Rickie Dale, born Feb. 14 at 4:50 a.m. He weighed 6 lbs. 14 oz.

Mr. and Mrs. Harvey Wayne Lawlis are parents of a son, Jeffrey Shannon, born Feb. 21 at 4:16 p.m. weighing 7 lbs.

Mr. and Mrs. Rolando L. Rivera are parents of a boy, Rolando L. Jr., born Feb. 20 at 6:05 a.m. He weighed 8 lbs. 6 oz.

Funeral Services For W. W. Boyd Held Here Monday

William Wray Boyd, 76, died at 1 p.m. Saturday at his home, 222 S. E. Eighth St. He had been ill for about two years.

Services were held Monday at 10 a.m. in Calvary Baptist Church by the pastor, Rev. Carrell Watkins; Rev. James Woods, pastor, Central Baptist Church of Aspermont; and Rev. Charles Hedges, pastor, First Baptist Church, Elfrida, Ariz.

Born July 14, 1890, at Neinda, his parents were the late Mr. and Mrs. A. T. Boyd. He attended school at Carpenters Gap.

He was married to Mary Jane Ruffield at Boyd Chapel, July 18, 1909. They moved into Hamlin 17 years ago after living in Carpenters Gap for 60 years. He was a member of Amity Baptist Church.

Survivors include his wife; two daughters, Mrs. Joe (Opha Lee) Price of Bisbee, Ariz., Mrs. Jim (Erma) Goza of Sweetwater; one brother, R. B. Boyd of Hamlin; one sister, Mrs. Roy (Viva) Bruner of Hamlin; eight grandchildren; 17 great-grandchildren.

Burial was in Neinda Cemetery.

Nephews, L. B. Bruner, Monroe E. Tabb, Douglas Hedges, R. D. Ruffield and L. D. McGrew were pallbearers.

David Drummond has been named Staff Sergeant and squad leader in Company E of Hardin-Simmons University's department of military science. The announcement of the new spring semester leadership positions were by Col. Johnny M. Rice, professor of military science.

Now, from American Motors, the car that wasn't there.

This may well be the most important news to come out of Detroit this year.

A major gap has developed in today's automobile market—a gap that no American-built car is filling.

Because this gap exists, over 1,000,000 car buyers a year have not been able to get the car they wanted: a car for the American motorist at a list price competitive to foreign imports.

Today, American Motors' new management and nearly 2,500 American Motors/Rambler Dealers are filling that gap.

As of today, we are limiting future changes in our Rambler American line to essential changes that will further enhance the safety and reliability of these cars.

This will save us millions of dollars—and we and our dealers are passing the savings along to you now. This means that the Rambler American 220 two-door sedan that yesterday listed at \$2,073 now lists at \$1,839! It means that today, your American Motors/Rambler Dealer has put new price stickers on all nine Rambler American models.

For years, Rambler American has been the best value in an American automobile. Today, priced competitive to imported cars, it is the best automobile value in the world.

This week on television, we promised you exciting news from American Motors.

This is only the beginning.

Area Wreck Fatal to Two, Three Injured

A mother and her eight-year-old son were killed and three other children injured in a one-car accident about 8:30 Saturday 13.8 miles east of Roby on U. S. 180.

Mrs. Pauline Jones Woods died instantly and her son, Timothy died at 9:55 p.m.

The three other children who were hospitalized here were Gregory, 15, Charles, 10, and Marilyn, 14. The boys suffered fractures, bruises and shock and the girl was reported in deep shock. They were released from the hospital Sunday and the oldest boy was transferred to a hospital in Alamogordo, N. Mex.

The mother and children were enroute to live in Alamogordo from Fort Berning, Ga., at the time of the accident, according to Highway Patrolman Walter Wood. The husband and father, Army Pfc. Charles Woods, was reported on his way to Vietnam.

The bodies were flown to Alamogordo.

Mr. and Mrs. Vito M. Quintanilla are parents of a 7 lb. 3 oz. daughter, Yolanda Cynthia, born at 3:30 a.m. Feb. 21.

Old Glory News...

By JUDY WHITE
Basketball season has closed at Old Glory and students and teachers are beginning to concentrate on U. I. L. events. The District 8B Literary and spring sports have been organized and the following dates and places of events have been set up by representatives from several schools.

One-Act Play at Rule, Mar. 30.

Tennis, high school, Old Glory, Apr. 12.

Tennis, grade school, Old Glory, Apr. 19.

Science, Old Glory, Mar. 31

Literary Meet, Goree, Apr. 4.

Track, Rochester, Apr. 1.

Volleyball, high school (District girls), Rochester, Mar. 31 and Apr. 1.

Volleyball, grade school, O'Brien, Apr. 28-29.

Eighty-five children were enumerated on the Old Glory census taken, in January.

Eight beginners were enumerated for next year. They are: Sandra M. Baldree, Sylvia Castro, Shirley Henderson,

Randy D. Houseworth, Michael S. Johnston, Debbie D. Jones, Marc T. Moore, and Jami Pierce.

The school trustee election will be held April 1. Terms of Bill Baitz and C. T. Pierce expire this year.

Variety Club

Eight members of the Old Glory Variety Club met in the home of Mrs. Lynn Flowers Feb. 14, for a regular meeting and Valentine Party.

The ladies exchanged gifts and played games of 84.

The next meeting will be held in the home of Mrs. Katie Gerloff Tuesday, Feb. 28.

Mrs. Bill Ivey and son,

Roger, of Hawley visited here with Mrs. H. E. Carr last Monday.

Mrs. Willie Fletcher has returned home after spending several weeks in Richardson visiting in the home of her sister, Mr. and Mrs. Morris James.

Mr. and Mrs. Loy Zane Garner and children of Abilene were here last weekend visiting his parents, Mr. and Mrs. Morris Garner.

Mr. and Mrs. R. O. Gibson Sr. visited in the home of Mr. and Mrs. Lynn Flowers one day last week.

Albert Kleppe of Abilene was a dinner guest in the George Rhoads home last Sunday.

Mr. J. E. Flow and Larry were in Canyon last weekend to visit with the Flow's daughter and family, Mr. and Mrs. Kenneth Spitzer and Chad Wayne. Mrs. Flow has been spending several weeks with the Spitzers.

Mr. and Mrs. Bill Baitz, Rhonda and Billie Jo, also visited in Canyon with the Kenneth Spitzers last Saturday.

Mrs. John Duncan has spent several days in Haskell with her father, P. T. Garner, who suffered a stroke last week.

Mr. Garner is a former resident of this community and his son, Morris Garner, also lives here.

J. C. Davis of Lubbock, youngest son of Mr. and Mrs. Earl Davis of Rochester, former residents of this community, is reported to have been injured in an auto accident last weekend. We have been unable to obtain further details at this time.

Mrs. Herbert Klump and Mrs. Margie Mischer honored their brother, Bailey Franklin of Dallas, and a niece, Mrs. Ludell Davis, of Haskell, with a birthday dinner last Sunday. The dinner was held in Mrs. Mischer's home and was attended by Mr. and Mrs. Bailey Franklin of Dallas, Mrs. Ludell Davis and son Derrel, Haskell; Mr. and Mrs. Paul Tabb, Robert and Janice, Odessa; Mr. and Mrs. J. R. Elliott, Hamlin; Mrs. Dewitt Ellison, Hope and Dewitt Jr. of Aspermont; Mrs. Katie Gerloff, Mr. and Mrs. Cliff Gholson and Clifford, Mr. and Mrs. H. G. Klump, Mr. and Mrs. Allen Letz, Steve and Dale Lee and Mr. and Mrs. Eddie Jones, Debbie and Bryan.

Baptist Choirs

Rank Well At

Stamford Festival

The choir of First Baptist Church received good reports at the festival held in Stamford Feb. 10-11.

The junior choir received a superior rating and are now eligible to attend the State Junior Choir Festival to be held in Grand Prairie April 29.

The cherub choir was rated superior.

The youth choir received an excellent rating and will attend the State Intermediate and Young People Choir Clinic at Baylor in Waco Mar. 17-18.

Geneva Ward and Martha Robertson were judged superior in solo. Revonna Kay Robertson and Geneva Ward received an excellent rating on a duet.

Helen Howard won in the hymn playing division and will go to the state competition in Waco Mar. 17-18.

FROM THE

EAGLE'S BEAK

By LANA ACKLIN

CHARLOTTE GRIFFIN

The juniors and seniors made plans for a chili supper Friday night, Feb. 24, at a recent class meeting.

The group is raising money for a trip during the Easter holidays.

To raise money for the FHA banquet, the members will have a pie sale during the junior high ballgame Thursday night, Feb. 23.

Banquet committees include Lana Acklin, Bobbie Kirby, and Sara Williams, program; Jeanne Acklin, Linda Spalding, Sue Smith, decoration; Shirley Phelps, Debbie McCright, Connie Dowell, Betty Williams and Charlotte Griffin, food.

Mr. and Mrs. Gary Cooper are parents of a son, Gary Lee, born at 6:37 p.m. Feb. 15, weighing 5 lbs. 7 oz. Grandparents are Mr. and Mrs. Mat Moore of Aspermont and Mr. and Mrs. O. L. Cooper of Hamlin.

GETS PIE IN FACE — Raymond Nichols was the center of attraction in the Seniors Pie Throw booth at the carnival held Saturday evening at the high school. Whipped cream in pie tins were used in the booth and Raymond lasted longer than the cream supply. —Tim Jones Photo

Area Farm and Ranch News

By Don Elmore

T. W. Flenniken was elected president of the Hamlin Riding Club at the Feb. 10 meeting at the Plains Oil Mill Coop Guest House.

Bill Dominey, retiring president, was elected vice president; George Campbell, secretary-treasurer; Wes Naldeen, Buddy Allen and Ed Branscum, directors; Billy McIlwain and Jack Bessire, arena directors; and Don Elmore, pole chairman.

Now, all we need is 100 members. Bill was named membership chairman.

We hope this will be a very active year for the club and this can only be accomplished if all work together. T. W. has already proved in past years that he will lead a going club if anyone will help him. Let's do just that.

The snow Saturday was wonderful and I never saw such a small amount of rain do so much good. The wheat has perked up a lot already.

So with this 2 inch rain I have ordered it should get to growing good and maybe so make a big crop. We hope!!

Winters Takes Top Honors In Cross Country Meet

Winters ran off with the team honors here last Thursday in the first Cross Country Meet held here at the Lakeview Golf Course. The meet was sponsored by the Hamlin Jaycees.

Colorado City captured the first two places in the two mile cross country race that saw 74 boys entered from seven towns. Larry Lambell of C-City placed first with the time of 10:35.

Placing seven boys in the first 18, Winters took school honors with 74 points. With the lower the points the better the place, Hamlin came in second with 218 points. Colorado City took third with 234 points, followed by Haskell with 254, Anson, 251, Albany, 278, and Aspermont, 211.

anced rations, and other management practices are practiced. Boys of today are preparing for tomorrow.

Learn Many Skills

Many vocational agriculture students can prepare for a trade by learning various skills in farm mechanics units taught in class. Some students will put the skills they learn to work to build and construct projects in the wood shop or the metal shop.

Arc welding is one of the many skills the students can learn. Usually first year students are only acquainted with the principles of arc welding and the machines. Second year students go into the operation of the welders. Third year students then use the skills accomplished in the first two years to build various shop projects—feeders, working chutes, trailers and other projects.

First year students are taught the use of hand tools. They learn how to use hand saws, hammers, wood chisels, planes, and other hand tools. They also learn how to figure board feet and how to draw plans for projects.

Another skill learned by third year students is how to work with electrical wiring. Proper methods of soldering, splicing, and installing wires are studied as well as the principles of electricity.

Productive Enterprises

A productive enterprise is a requirement of all students. A productive enterprise, commonly called a project, may consist of livestock for feeding or breeding purposes, poultry, field crops, or garden crops. For some students it is a year-round job.

Types of projects local FFA boys are raising or have raised this year include commercial beef, feeder cattle, commercial beef cows, fat steers for showing, development of registered heifers, registered cows, feeding for pork production, show barrows, raising gilts and sows for pig production, broiler production, rabbit production, raising lambs, gardening, and raising field crops such as cotton, wheat and milo.

Fine Swine Record

Hamlin FFA members have made a fine record in swine showing this year. Randy George exhibited the Grand Champion Boar and Reserve Champion Gilt at the Jones County Fair. He also showed the Grand Champion Boar and gilt at the Fisher County Fair. Randy also won the breeding swine division of the Hamlin Community Show.

And What Have You

. . . Continued From Page One

schools, our civic groups, and our other community facilities grow and become better.

When you say you wish we had more people so that we could have better this or better that, what you are really saying is that you wish someone new would come along to do the work that you would rather not get involved in.

Hamlin would not be a bit better off if we had a 1000 new people if they were like some that we already have. Those that never lift a hand to help improve anything, almost make a contest out of seeing how little money they can spend in Hamlin, and just moan about how bad things are. We, like every other city in the country, have enough of this type of people now.

Along this vein of thought we would like to extend our congratulations to the Hamlin Jaycees on their willingness to tackle a \$10,000 community building

without much more than faith working for them.

How they will pay for this building has been discussed for some time and they hope that the rentals will take care of it. But if they do not then the group will just have to go to work and find some other way to meet their obligations on the building.

We have needed a building such as this for some time but up to now no one has been willing to take the risk or the initiative to build it. It has taken a small group of young men and women (the Jaycees-ettes are involved too), a group that comprises less than one percent of the population to tackle this problem.

So you see it is far more important that you have people who are willing to try something new and different and are willing to work for what they want than it is just to have numbers.

DISPLAY PROCLAIMS FFA WEEK — Beth Craig and Sammy Ferguson look over the ribbon display proclaiming National FFA Week in the hall at Hamlin High School. The ribbons in the

display were all won by Gil Lain this year at the Hamlin Community Show, the Jones County Livestock Show, the Abilene Fat Stock Show and the San Antonio Livestock Exposition.

Robert Moore showed the champion barrow at the Hamlin Show. At the Jones County Livestock Show Gil Lain won the breeding swine show and reserve in the barrow show. Robert Moore won the barrow show, and Bill Hodnett had reserve in the breeding show. Gil Lain had the Champion Chester White Barrow at both the Abilene Fat Stock Show and the San Antonio Livestock Show. He al-

so had the reserve champion Duroc at Abilene.

All FFA activities are not work as chapter members often find time to enjoy recreational activities. Each year during National FFA Week chapter members host the local FFA Chapter with a FFA-FHA Fun Night.

After many of the business meetings the members enjoy

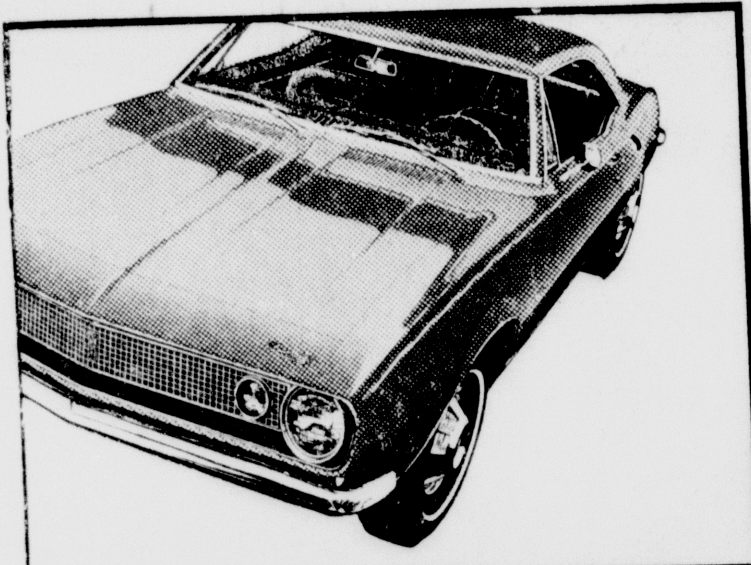

volleyball games. To acquaint new members the chapter sponsors an annual watermelon feed.

Chapter members also found the time to run two booths at the recent school Carnival. Proceeds from the booths will go to pay for the Chapter annual Father-and-Son Banquet held each year in May.
